givejedahand #CAMH CEO Catherine Zahn at #CAMHFOUNDATION #Hotspot #DrakeHotel #SoldOiut!!! - CAMH #Psychiatry having #prostituted itself to anyone with the #money and #vain enough to want his name on one of their buildings - and these #asshokes call it #endstigma!!! Just as they call #fuckingtoronto #transforminglives. #Partoftheneighborhood? Try #condowasteland! And you believed them. They have some more #realestate they'd love to sell you! They call it #manhattanisland - but to #streetphotography it looks for all the world like the #crummy #fuckedup #streetsoftoronto!!! And who made it all possible! Thanks, Catherine!
